Josh and Mitch,  
We would like to set up a demo meeting with your team to go over the tool once more. [REDACTED] and I are getting close to making a decision on the two or three vendors that will be on our shortlist, and would appreciate another opportunity to go through what your platform can offer. Do you have any availability this week – Wednesday or Thursday? Thank you.

I hope that you are well! Apologies for the hasty departure note two weeks ago, but I trust that you are being taken care of by my replacement.  
You can now see that I've made the jump to Perceptyx and I was happy to hear that Josh has already connected with you. Let me know if I can be helpful in your employee engagement evaluation. Feel free to use me as a resource should you have questions and I can illuminate the big differences (and potential blind spots) for [REDACTED]. I can also share with you some of the reasons why I made the career move to join this great company.  
Let me know if you are available to connect this week.  
Best regards,  
Mitch
